

Quantum Technology for Business Leaders

FROM FRONTIER TECHNOLOGY
TO BUSINESS STRATEGY

13-16 APRIL 2027 · ETH ZURICH
17 APRIL · ALPINE NETWORKING

Limited to 25 senior participants
No quantum background required

SEE EARLY. DECIDE BETTER. LEAD THE NEXT WAVE.

An executive immersion connecting frontier quantum research with strategy, business value and the Swiss innovation ecosystem.

VISION

See where quantum is heading - and what it could mean for your industry.

STRATEGY

Build readiness, set a roadmap, and decide when to build, buy or partner.

BUSINESS VALUE

Move beyond hype to identify real use cases, business models and competitive advantage.

LEADERSHIP & ECOSYSTEM

Connect with ETH researchers, technology pioneers, start-ups and senior executives.
